

Extender Safety Data Sheet

Revision date: October 27, 2025

SECTION 1: IDENTIFICATION

Product name: Pivot Bio Extender

Product use: Diluent

Supplier:

Pivot Bio
701 Carlson Parkway
Suite 220
Minnetonka, MN 55305
(877)495-3777

Emergency number: 1(800)424-9300

SECTION 2: HAZARDS IDENTIFICATION

This material is not a physical, health, or environmental hazard. Use according to the label instructions. For industrial and commercial agricultural use only.

POTENTIAL HEALTH EFFECTS:

Eyes: Use safety goggles. Minor and temporary irritation may occur with direct exposure. Clearance is expected with no long-term health effects. Consult with physician if irritation persists.

Inhalation: Use in a well-ventilated area. Minor and temporary irritation may occur. Clearance is expected with no long-term health effects. Consult with physician if irritation persists.

Skin: Do not expose open cuts or wounds to the product. Use chemical resistant protective gloves. Minor and temporary irritation may occur. Clearance is expected with no long-term health effects. Consult with physician if irritation persists.

Ingestion: Do not ingest.

SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

100% inert ingredients

Ingredient:	CAS Number:
Water (RO or DI)	7732-18-5
Neosorb® P60W	50-70-4
K ₂ HPO ₄	7758-11-4
KH ₂ PO ₄	7778-77-0
Agrimer™ VA 7W	108-05-4

Extender Safety Data Sheet

SECTION 4: FIRST AID MEASURES

Eye contact: Flush eyes with clean water for 20 minutes with eyelids separated. Remove contact lenses after first five minutes, then continue rinsing the eyes.

Inhalation: Move person to fresh air. If person is not breathing, call an ambulance and provide artificial respiration, if possible.

Skin contact: Remove contaminated clothing. Wash skin thoroughly with soap and water for 20 minutes.

Ingestion: Wash mouth out with water. Call poison control or physician for treatment advice. Do not induce vomiting unless instructed by physician or poison control. Have person slowly sip drinking water if able to swallow.

SECTION 5: FIRE FIGHTING MEASURES

Flash point: None

Auto-ignition temperature: Not determined

Explosive limits: Not applicable

Firefighting instructions: No special requirements

Extinguishing media: Use media suitable for surrounding fire

Unusual fire or explosive hazards: None known

SECTION 6: ACCIDENTAL RELEASE MEASURES

Methods for cleaning up: Wear gloves and cover the spill area with absorbent material. Scoop up the spilled material and discard it into waste container for disposal into municipal waste. Remove gloves and wash hands with clean water and soap.

SECTION 7: HANDLING AND STORAGE

Handling: Avoid contact with eyes. Use in well-ventilated areas. Wash hands thoroughly after handling. Avoid prolonged or repeated breathing of vapors. Avoid prolonged or repeated contact with skin.

Storage: Store in original container in a cool, well-ventilated, dry area. Keep out of reach of children and animals.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure controls:

Respiratory protection: Use product in well-ventilated area. Wear an appropriate respirator, if necessary, based on the scale, activity, and controls used in downstream processing. Large scale operations may necessitate the use of a respirator. Use a NIOSH/MSHA certified respirator if exposure limits are exceeded or for irritation if dust is generated. Follow OSHA or other applicable federal, state, and local regulations.

Skin and body protection: Chemical resistant protective gloves should be worn to prevent repeated or prolonged contact with the product.

Eye/face protection: Use safety goggles.

Hygiene measures: Wash hands and face prior to eating, drinking, chewing gum, or using tobacco. Clean water should be available for washing in case of eye or skin contamination. Remove and wash contaminated clothing before re-use.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Liquid

Vapor density: Not available

Odor: Mild

Melting point/freezing point: Not applicable

Color: Light tan

Boiling point/range: Not available

pH: Not available

Water solubility: Soluble in water

Vapor pressure: Not available

SECTION 10: STABILITY AND REACTIVITY

Stability: Stable under recommended storage conditions. Refer to the label for shelf life and expiration.

Hazardous decomposition products: None known based on information supplied.

Hazardous polymerization: Will not occur.

SECTION 11: TOXICOLOGICAL INFORMATION

Pivot Bio has conducted the appropriate EPA acute toxicity studies on this product to inform proper safety and handling guidelines in this SDS. For more information, please contact Pivot Bio at (877)495-3777.

SECTION 12: ECOLOGICAL INFORMATION

Avoid uncontrolled release into the environment.

SECTION 13: DISPOSAL CONSIDERATIONS

Dispose of unused product, empty containers, and residues in accordance with local and state regulations.

SECTION 14: TRANSPORT INFORMATION

This product is not regulated as a hazardous material for transportation within the U.S. by any means of transportation.

SECTION 15: REGULATORY INFORMATION

U.S. Federal Regulations

SARA 313: Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

Clean Water Act: This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

CERCLA: This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

U.S. State Regulations

Extender Safety Data Sheet

California Proposition 65: This product does not contain any Proposition 65 chemicals.

U.S. State Right-to-Know Regulations: This product does not contain any substances regulated by state right-to-know regulations.

International Inventories: This product does not contain any substances on the International Inventories.

WHIMS Statement: This product has been classified in accordance with the Hazardous Products Regulations (HPR) and the SDS contains all the information required by the HPR.

SECTION 16: OTHER INFORMATION

DISCLAIMER: Pivot Bio believes that the information and recommendations contained herein (including data and statements) are accurate as of the date hereof. The information provided herein is to Pivot Bio's best present knowledge correct and complete and is given in good faith but without warranty. The information relates only to the specified product designated and should not be construed as guaranteeing any specific property of the product where such product is used in combination with any other materials or in any process.
