

PIVOT PATHWAYS: A GENERATION GRANT

The next generation is worth growing.

Pivot Pathways helps eligible Pivot Bio customers turn qualifying purchases into long-term opportunity for a child connected to the farm.

☆☆☆ **RECEIVE \$1,000-\$5,000 IN ANNUAL GRANTS*** ☆☆☆

What is the program?

Pivot Pathways: A Generation Grant is Pivot Bio's commitment to helping farm families invest in the next generation.

Eligible growers receive a Generation Grant payment annually to invest in a child, grandchild, or someone connected to their farm's future through a Trump Account.

Who is eligible?

You're eligible if: you're a Pivot Bio customer purchasing from Pivot Bio directly, through a rep or retailer, and have purchased at least 1,000 acres of Pivot Bio nitrogen products. The contribution will go directly to the farm customer. Applying is simple. For additional details please visit the website below.

HOW IT WORKS. WHY IT MATTERS.

Next-Gen Focus

Pivot Bio contributes funds to eligible customers with the expectation they will invest in Trump Accounts for the future generation.

Long-Term Growth

You invest in the future of the next generation while continuing to grow your operation today.

Building Impact

Building a legacy of opportunity, freedom, and success for the next generation.
